About The Company

Safty Group Co. is a leading organization dedicated to advancing safety and excellence within the freight forwarding industry and export solutions. Our mission is to empower industry professionals with knowledge, tools, and resources, fostering a culture of proactive risk management and incident prevention.

Vision & Mission

Vision

To be a leading logistics service provider recognized globally for innovation, efficiency, and commitment to customer satisfaction

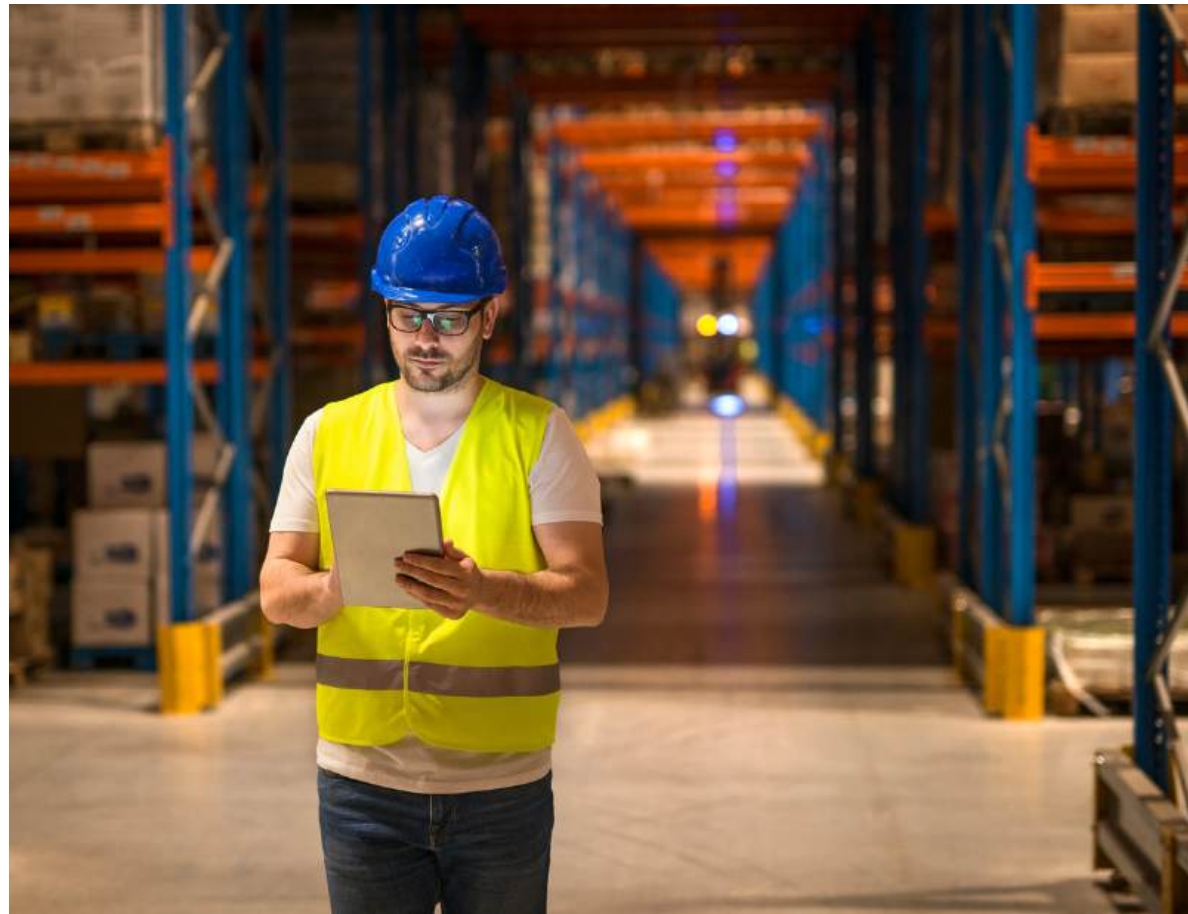

Mission

Provide innovative and sustainable logistics solutions.

Our Solutions

01

Freight Forwarding

Optimizing logistics and supply chain efficiency with state-of-the-art facilities and technologies.

02

Inland Trucking

We provide reliable inland trucking solutions, ensuring safe and timely transport of goods between ports, warehouses, and final destinations.

03

Export Solutions

We provide dedicated export solutions, handling documentation, customs procedures, and international shipping to ensure smooth, compliant, and timely delivery from Egypt to global markets.

04

Customs Clearance

We offer fast and reliable customs clearance, managing all documentation and procedures to ensure smooth, compliant cargo release with minimal delays.

Our Clients

Our Values

Integrity

Transparent operations and ethical business practices.

Excellence

Striving for superior service quality.

Customer-Centricity

Delivering solutions aligned with client needs.

Sustainability

Committed to eco-friendly practices.

Innovation

Leveraging technology to enhance efficiency.

Collaboration

Building strong relationships with clients and partners.

Sustainability

We are committed to sustainable operations by optimizing logistics to reduce emissions, minimizing waste through efficient processes, and partnering with responsible suppliers.

Our approach ensures environmentally conscious export practices while supporting long-term economic and social value.
